April 29th, 2020 - Syrie Maugham, wife of Somerset Maugham, was one of the best in her field as well as possibly the most intolerant snob who turned interior decoration on its cabriole legs at the beginning.
interior design
June 3rd, 2020 - interior design is the art and science of enhancing the interior of a building to achieve a healthier and more aesthetically pleasing environment for the people using the space. An interior designer is someone who plans, researches, coordinates, and manages such enhancement projects. Interior design is a multifaceted profession that includes conceptual development, space planning, and site management.'
